Anime tracker application

An application where you can create lists of anime and characters, rate them and search based on personal preferences.

The application is intended for anime lovers that would like to keep track of what anime they watched, and what they want to watch. In addition, they will be up-to-date with the new releases. Users have the option to create an account or use the website anonymously, but in choosing the latter, they give up on many interesting features.

Users without an account:

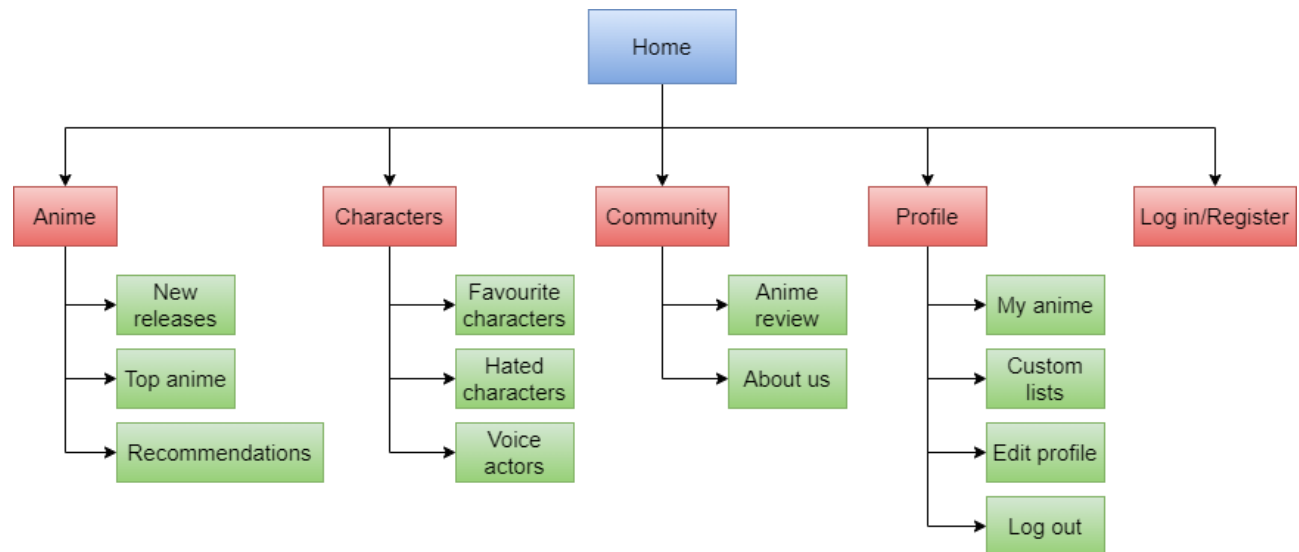

- ✓ Search function for anime based on name, studio, genre, rating etc.
- ✓ Possibility of getting information about an anime (name, studio, release year, characters, voice actors, rating)
- ✓ Possibility of seeing reviews from other users
- ✓ Account creation

Users with an account:

- ✓ All the features non-registered users have
- ✓ Possibility of managing their profile page and add details about their preferred type of anime
- ✓ Possibility of updating predefined lists (Watched, Watching, Want to watch, Dropped, Liked characters, Disliked characters)
- ✓ Possibility of creating personalized lists (e.g. Favourite drama, Things I'll never rewatch, Characters to die for etc.)
- ✓ Possibility of reviewing and rating anime
- ✓ Statistics (Anime watched this month, Hours on anime etc.)

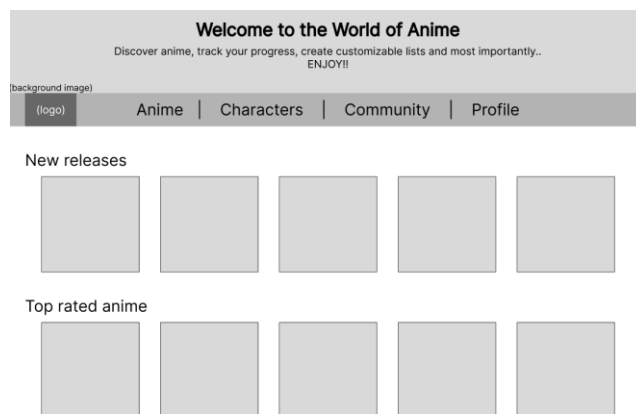

The application also has a desktop version for the maintainers, who are responsible with add new anime, deleting inappropriate reviews and blocking accounts with inadequate behaviour.
